

27–30.10.2020

EXPOCENTRE Fairgrounds, Moscow, Russia

www.chemistry-expo.ru/en

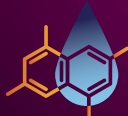

23rd International
Exhibition for Chemical
Industry and Science

ХИМИЯ

ХИМИЯ

**Innovations
and Advanced
Materials**

**Petrochemical
Industry**

Startup ChemZone

**Automation
and Digitalisation
of Production**

Chemmash. Pumps

Chem-Lab-Analyt

Green Chemistry

**Plastics Industry
Show**

**Corrus Protection
Against Corrosion**

Supported by

- Russian Ministry of Industry and Trade
- Chimvest Scientific and Technical Centre
- Russian Chemists Union
- NIITEKHIM OAO
- Mendelev Russian Chemical Society
- Chemical Department of Lomonosov Moscow State University
- Mendelev University of Chemical Technology of Russia

Under auspices of Russian Chamber of Commerce and Industry

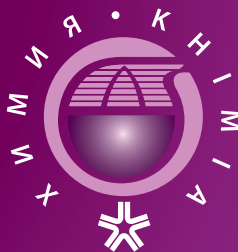

12+

Organised by

EXPOCENTRE

KHIMIA: Russia's largest chemical show¹

Facts & Figures²

History:
more than

50

years

20,487

sq m, floor space

397 26

companies from countries

Government development plan for the chemical industry³

- Up to **US\$103bn** – production growth in the chemical industry
- **460 kg per person** – per capita consumption of chemical products by 2030
- From **1.4% to 2%** – increase in the share of the chemical industry in the structure of GDP of manufacturing activities
- More than **100,000** – creation of new jobs
- Over **US\$15.9bn** for implementation of **199** investment projects by 2030

EXHIBITORS

Leading Russian chemical companies

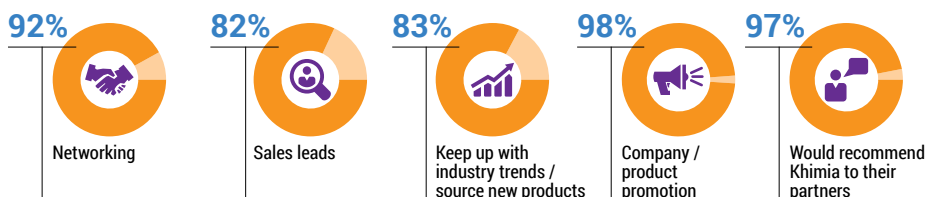

Leading foreign chemical companies

Goals and results⁴

⁴Source: Romir, Research holding, 2019

Startup ChemZone

The Startup ChemZone gives small innovative enterprises an opportunity to show their developments from prototypes to end products.

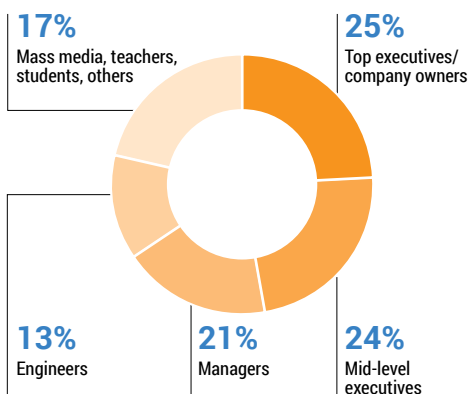

VISITORS⁵

12,010
professionals

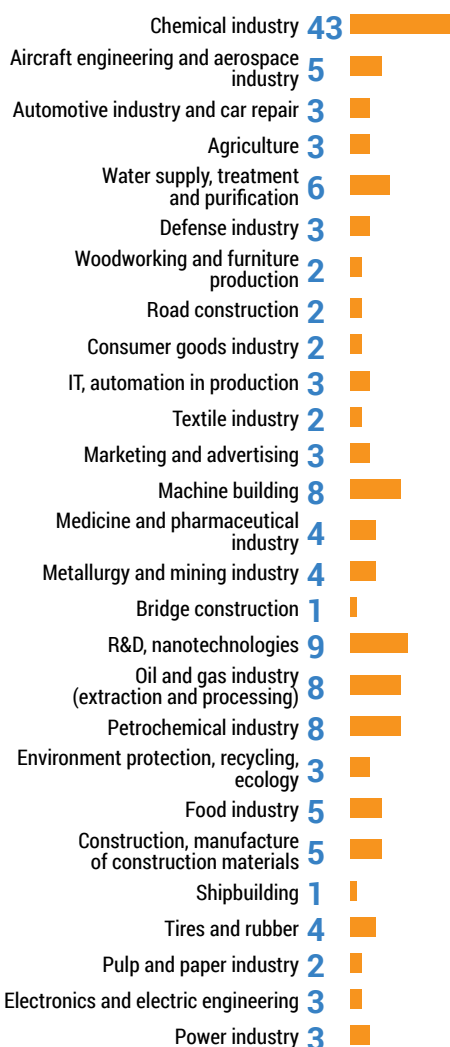

62
countries

393
cities of Russia

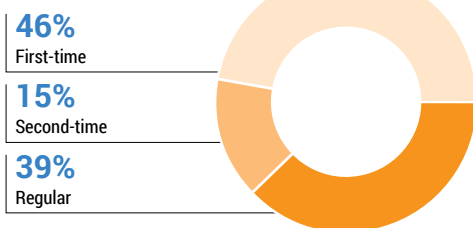

Job title

Industry sectors⁶, %

Visits

Visitor interests⁶, %

Chemistry, petrochemistry	
• Agrochemicals, fertilizers, crop protection	16
• Additives and filler agents	15
• Paints, varnishes, coatings	23
• Specialty chemicals	9
• Oil and gas processing and petrochemistry	17
• Basic and inorganic chemistry	19
• Polymeric materials	26
• Industrial gases	11
• Raw materials for chemical industry	38
• Raw materials for petrochemical industry	24
• Chemical yarns and fibres	13

Chem-Lab-Analyt

• Analytical and laboratory equipment, instruments	18
• Laboratory furniture, glassware and consumables	13
• Laboratory research automation facilities	10
• Chemical reagents, catalysts	13

Chem mash. Pumps

• Control and measuring equipment, tools, automation	11
• Industrial valves, actuators and engines	17
• Industrial pumping and compressor equipment	19
• Production equipment, manufacturing lines and machines	20

Green chemistry

• Water treatment, conditioning and purification, chemical safety	9
• Recycling and waste management, environmental protection	7
• Industrial biotechnologies	5
• Supercritical fluid technologies, new synthetic methods and other green chemistry technologies	5

Plastics Industry Show

• Waste recycling	7
• Polymeric and rubber products	7
• Raw and auxiliary materials for production of polymeric materials and rubber	8
• Technologies and equipment for production and processing of polymeric materials and rubber	9

Corrus Salon

• Equipment and technologies of corrosion protection and corrosion-resistant materials	5
• Corrosion protection coatings	5

Innovations and advanced materials. Research 9

Startups, small and medium enterprises 2

Services 24

EXPOCENTRE: Russia's leading organiser of international trade shows and conventions

Annually

- More than **100** trade shows including more than 30 own brands
- More than **1,000** congresses, workshops and similar events
- About **30,000** exhibitors from more than 100 countries
- About **1.5 million** professional visitors

165,000

sq m – total exhibition space

105,000

sq m – indoor exhibition space

9

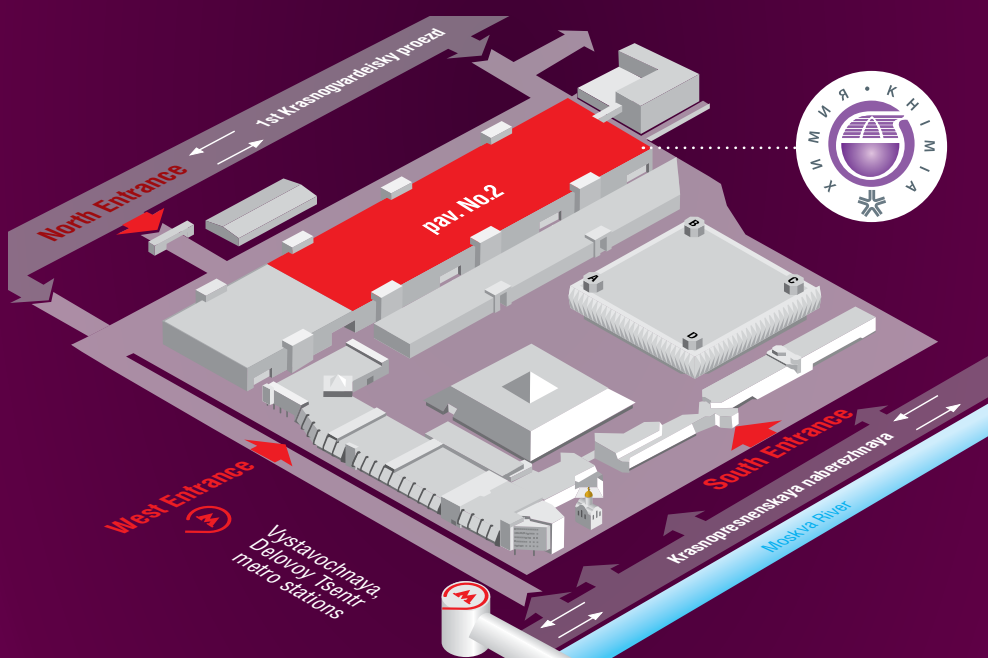

pavilions

39

halls for congresses, workshops and similar events

60,000

sq m – outdoor exhibition space

Venue

Pavilion No.2, EXPOCENTRE Fairgrounds
14, Krasnopresnenskaya nab., Moscow, Russia
Phone: +7 (499) 795-37-99

Khimia Management

Phones: +7 (499) 795-38-45,
795-38-41, 795-39-28
E-mail: chemica@expocentr.ru

**Meet your potential
clients and partners
at Khimia 2020!**

PRODUCT SECTORS

RAW AND AUXILIARY MATERIALS

MACHINERY, EQUIPMENT, INSTRUMENTS

FINISHED PRODUCTS

SERVICES

PETROCHEMISTRY

Chemical and petrochemical raw materials, auxiliary materials for chemical and other industries. Specialty and basic chemicals, petrochemical industry

CHEM-LAB-ANALYT

Analytical and laboratory equipment, laboratory furniture and glassware, chemical reagents

CHEMMASH. PUMPS

Chemical engineering, pumps, devices for chemical production

PLASTICS INDUSTRY SHOW

Raw materials, equipment and technologies for production and processing of polymers and plastics, plastics recycling

STARTUP CHEMZONE

GREEN CHEMISTRY

Materials, technology and equipment for environmentally clean chemical processing, industrial biotechnology, water conditioning and purification, chemical safety

CORRUS SALON

Corrosion-resistant materials. Equipment and technologies of corrosion protection

SERVICES

Engineering and design, transportation and storage of chemical products, research, technologies and consulting, economic research, work and career

INNOVATIONS AND ADVANCED MATERIALS

AUTOMATION AND DIGITALISATION OF PRODUCTION

SUPPORTING EVENTS

59
events

210
speakers

2,500
delegates

14 areas

- Development of chemical industry
- Prospects of petrochemistry
- Innovations
- Industry 4.0 technologies in the chemical industry. Digital manufacturing.
- Government support
- Small and medium business
- Export potential
- Energy saving technologies
- Environment (industrial biotechnologies, water treatment and purification, recycling, green chemistry)
- Corrosion protection
- Certification and standardisation
- Logistics
- Personnel
- Investment potential of Russian regions
